Terms and Conditions of Print Order

1. You are 100% responsible for the accuracy of your layouts. Please proof-read all layout proofs carefully. As postal regulations are subject to change, you are also 100% responsible for complying with current mailing restrictions for backside layouts.

2. All postcards are "gang printed." 6th Sense Design will reproduce color from submitted digital layouts, files, transparencies, slides, or photos as closely as possible, but cannot exactly match color and density (as viewed in a 5000K light booth) because of limitations in the printing process, as well as neighboring image ink requirements. The accuracy of each color reproduction is guaranteed to be within 85-90% of the original image you submitted. We accept no responsibility for color variations between submitted images and the actual artwork or product they represent. Please note that what you see on your monitor or what you can print out of your inkjet printer at home have NOTHING to do with how it will come out on press. They use RGB color space and we print in a limited CMYK color space.

3. No refunds given once we begin your order, which means we have received your necessary materials (images, text or digital files and payment) and started work on your job. No partial refunds given for work not completed. We offer in-house credit only for issues created by 6th Sense Design. In the event of a dispute, contractor will be notified within 3 business days from time of purchase after which contractor is no longer liable nor responsible for any restitution to the cardholder.

4. Quoted Turnaround Times start only after all materials necessary to complete your order have been received. Completion of your job within our regular Turnaround Time is pursuant to receipt of your signed layout/final approval. Allow additional time for YOUR selected method of delivery. Expected delivery date and Turnaround Times are not guaranteed. Your order may arrive late due to unforeseen delays in delivery service, the breakdown of equipment, bad weather, etc. Quoted turnaround times are based upon the PRODUCTION of your order only. If you contracted 6th Sense Design for design, that time is ADDITIONAL to the quoted production time.

5. You certify that you own the rights to use the image(s) being reproduced on your postcard. DO NOT send any "one-of-kind" transparencies, prints or artwork. Although we take every precaution to safeguard your materials, we are NOT responsible for loss or damage of images or artwork. If you require that we send back any of your materials, we will do so at your expense.
